Then do you wanna be "son"?
You know that's not what I mean.
You gotta admit it's weird!
Why are you my mom! Why can't you be my dad or uncle or someone!

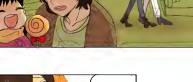
Or even brother! Why 'mother' of all names?
Hm~
What's wrong with "Mom"?
I don't get it

Do you really not get it?

You're a GUY.

Mom is a woman!
This is common sense in the human world!

Got that?



Nope
WHAT?

Open!
